

ADDENDUM NO. 1
TO
CONTRACT DOCUMENTS
FOR
THE CITY OF MARQUETTE
PRESQUE ISLE MARINA REHABILITATION PROJECT – PIER REPLACEMENT

MAY 13, 2019

Contractor shall list all addenda by number on the bid form to ensure conformity in the bid.

Drawings, Specifications and/or Proposals are herein amended, expanded and/or modified, as hereinafter described, and become a part of the Contract Documents with the same force and effect as if incorporated, therein, originally. Any contrary provisions contained, or referred to, in Drawings and/or Specifications, shall remain applicable unless overridden by this Addendum. Revised or contrary provisions herein shall not affect any other part of the Contract Documents and any deletions, additions, substitutions and/or revisions mentioned, shall include all labor, materials, methods, modifications, etc. required for complete performance of the work.

This Addendum No. 1 consists of 1 page.

TECHNICAL SPECIFICATION CHANGES

Technical Specification 35511 – Floating Piers:

1. Section 1.03 – Quality Assurance of an Acceptable Floating Pier System. Change to read, “Pre-Bid Qualification of the Bidder: Each prospective bidder planning to submit a proposal for this project shall submit two (2) copies of a floating pier system pre-bid qualification package to the Project Engineer at least **7 days** prior to the date for receipt of Bids.” This changes the prequalification submittal from 10 days prior to bidding to 7 days prior to bidding.
2. Section 2.24 – Portable Access Ladders. Omit this section. No portable access ladders are required.

Contract documents will not be reissued to reflect these changes. These changes are referenced by this addendum.
