Construction Materials Testing Technician

Coleman Engineering is looking for an experienced Materials Testing Technician for field and laboratory testing in our Iron Mountain, MI office. The position will include testing soils, aggregates, concrete and asphalt. Previous experience, ACI Concrete Field Testing Technician Certification, and/or certifications through the State of Michigan (or other State sponsored agency), is preferred. Work involves routine lifting of material samples up to 75 pounds. Overnight travel is required. Wages commensurate with experience.

Coleman Engineering Company offers competitive salary and benefits, including 401K plan and the opportunity to advance your career in a professional and challenging work environment. Send resumes to Coleman Engineering Company, 635 Circle Drive, Iron Mountain, Michigan 49801, Attn: LeAna Lindquist, or email llindquist@coleman-engineering.com. EOE
