SURVEYOR TECHNICIAN

Job Description

- Responsible for assisting Project Surveyor in all aspects of field work, including operation of survey equipment, completing required paperwork and sketches, working in all weather conditions and extensive walking over various types of terrain.
- Candidates must possess excellent follow-through skills, be attentive to detail, have the ability to read maps, work well with others, and be able to communicate effectively with clients and coworkers.
- Candidates will be required to perform light manual labor, follow all safety guidelines, and lift over 50 lbs.
- In addition to other duties, travel is required.
- Full-time position available in the following offices:
 - Iron Mountain, Michigan
 - Ironwood, Michigan
 - Green Bay, Wisconsin

Job Requirements

- Have education in surveying or a surveying background.
- Ability to work independently as well as with a crew.
- Must understand budget and deadline constraints.
- Strong verbal and written communication skills.
- Must demonstrate clear commitment to delivering excellent customer service.
- Clean driving record with valid driver's license and ability to pass USDOT driver check.
- Ability to safely operate ATV, UTV, snowmobile and boat.
