### **CAD Drafter**

Coleman Engineering Company is currently accepting applications for a CAD Drafter to support our new office opening in the Green Bay area. The primary role of this position is to support the survey operations in all facets of drafting and mapping. The qualified candidate is required to have a degree in CAD/Drafting Operation and/or related job experience. The candidate must have knowledge with land surveying and mapping, be proficient in AutoCAD Civil 3D, and have an understanding of legal descriptions, mapping, and land/real estate terminology. The ideal candidate will have experience in survey type drafting and preferably some survey field experience. GIS knowledge is a plus. Candidates must have the ability to perform efficiently under demand and stress; have the proven capability to meet tight deadlines; be detail oriented; and have good written and verbal communication skills.

Coleman Engineering Company offers competitive salaries and benefits, including 401K plan and the opportunity to advance your career in a professional and challenging work environment. Send resumes to Coleman Engineering Company, 635 Circle Drive, Iron Mountain, Michigan 49801, Attn: LeAna Lindquist, or email [llindquist@coleman-engineering.com](mailto:llindquist@coleman-engineering.com).
